### SUSTAINABILITY

As a fully integrated U.S. manufacturer, we produce our own components. Limited outsourcing combined with backhauling our own materials greatly reduces sulfur oxide emissions. Eco-friendly finishing technology minimizes emissions. Formaldehyde-free adhesives and optimizer technology are elements of our environment program. Sawdust has been regenerated for over 30 years to produce both heat and electricity.

### KCMA STEWARDSHIP

Bertch is certified by KCMA's Environmental Stewardship Program (approved by NAHB), designed to protect our environment and encourages our industry to manage its resources.

### MADE IN THE USA

We are proud to be part of a country where most corporations understand they have a responsibility to preserve the earth's resources.
